

Farm Families Coping with Dementia (FFCD)

A Caregiver Support Research Project

Concerned about someone in a farming community showing signs of dementia?

*You may be eligible for **Farm Families Coping with Dementia (FFCD)***

FFCD is a **free**, **online** educational series created to support caregivers of individuals living or working on or near farms who are showing signs of memory loss or confusion.

Over **four weekly sessions (1 hr)**, learn about:

- Dementia Basics
- Farm Safety and Dementia
- Improving Safety with Dementia
- Caregiving and Communication

When:

- **10 am Wednesdays**
 - Dates: June 24, July 1, 8, 15
- **6 pm Tuesdays**
 - Dates: June 23, 30, July 7, 14

Where: Online
